Bethel Middle School
Supply List 2012-2013

One important goal at the Middle School is to assist each student in developing organizational skills that will last through the high school years and beyond. Middle School students often have difficulty managing both a locker and several classes with different teachers in different classrooms. It can seem overwhelming!

We recommend that students have a specific organizational system that they use throughout the school year to keep their agenda book, pencil case/zippered pocket, and all current work/homework for all classes. A sturdy binder or accordion file has been most successful. We have experimented with several different systems over the years and have endeavored to make the system as simple as possible. The supply list below reflects the desire for simplicity.

All students must have the following supplies:
Pens (blue or black ink)
Pencils (12 pack)
1 Highlighter
20 Divider Pages
Loose Leaf Notebook Paper
Pencil Case or Zippered Pocket to hold pens, pencils, etc.
1 Memory Stick Portable Hard Drive (4 GB minimum)

Reading/Language Arts:	6th/7th/8th:	**Two** Pocket Folders
