ON-LINE SUMMER SCHOOL FOR CREDIT RECOVERY!

All summer make-up programs at Bethel High School will be offered on-line. On-line programming has allowed BHS to offer many more programs for credit recovery.
Students are expected to attend "class time" in a computer lab at Bethel Middle School to complete their self-directed courses in a proctored environment. Students taking more than one program or students needing to miss class (with prior notice) will need to continue their on-line work from home.
The highest sense of personal honor and integrity is expected of all students in the completion of their coursework. Please read the Academic Integrity Agreement below.
All course materials will be available online, with the exception of English course novels. These will need to be obtained by the student during the first days of the program.

Students receiving an **F** in any semester or full year course may take that semester or course over during the summer. **PLEASE CHECK PARENT PORTAL TO VIEW YOUR CHILD'S FINAL SEMESTER GRADES**. If you have any questions regarding what courses your child needs to make up, please call their guidance counselor directly.

Academic Integrity Agreement: Students are expected to complete all work without cheating, turning in someone else's work as their own (plagiarizing), or knowingly giving false information. **Students submitting work that is not their own will not be given credit for the course.**

You may register from Monday June 25 – Friday June 29 in the Health Office at BHS from 8:00 – 1:00. Please see the registration form on the next page.
If you have any questions Please call Deidre Hook 203-794- 8600 Ext.263 or Linda Anderson 203-794-8600 Ext. 375.
