

# Report Cards

Students at the K-8 level receive a standards-based report card that provides feedback to parents and students on mastery of the standards. Students receive a report card three times during the year, after each trimester.

High School students receive report cards quarterly, or four times each year using a traditional grading system. Further information explaining grade point average, class rank and requirements can be found in the Bethel High School [Program of Studies](#).

Report cards for all students can be accessed [here](#).

## Global Competencies

- 4—Exemplary
- 3—Proficient
- 2—Developing
- 1—Emerging

## Proficiency Rating Key

- 4- Student performance is consistently at or above grade level expectations as evidenced by demonstration of an in-depth understanding and sophisticated application of concepts and skills.
- 3- Student performance is consistently at grade level expectations as evidenced by independent application of concepts and skills.
- 2- Student performance is beginning to and occasionally does meet grade level expectations or student requires support to meet course level expectations.
- 1- Student performance is consistently below grade level expectations even while receiving support.
- N- Not assessed at this time.

## Bethel Public Schools Mission Statement

The mission of the Bethel Public Schools, in partnership with families and the community, is to foster a culture of excellence and achievement accomplished by challenging curricula, committed teaching and optimized learning opportunities for all students. Our graduates will be resilient and perseverant, passionate self-directed learners, critical thinkers, college or career ready, considerate ethical citizens and globally competitive.
