******School days lost to weather or other emergency conditions will be made up June 17-28, as needed. If several weather or other emergency days are used in the fall, the District will be in session on February 18 & 19. We will make every effort to avoid using April 15-19. Please be aware of this information when making travel plans. State law does not allow for school to be in session on a Saturday or Sunday. Extending the school day is also not permitted.*
