

Dear Parents,

Summer's BEST 2018 has arrived! The Bethel Public Schools will be offering many **new and dynamic** programs. We hope to create a summertime adventure of discovery, fun, and learning that will build knowledge and enrich your child. The goal of the summer program is to encourage children to explore new skills, talents, and interests as well as maintain and sharpen academic skills, boost academic confidence, and reinforce the value of education.

The Enrichment programs are self-funding. The cost of each program is set to cover the cost of the teacher and the materials. You will be sending your child to a fun, safe, educational program.

Save the month of July to enroll your child in a rewarding summer experience!

Sincerely,
