Any gifts, grants, and bequests presented to the school district must be accompanied by a letter from the donor identifying the subject and purpose of the gift, grant, or bequest and any restrictions that may apply for official action and recognition by the Board of Education.

To be accepted, a gift, grant or bequest must be used for the educational benefit of students and satisfy the following criteria:

- Will not begin a program that the Board of Education would be unwilling to take over when the gift, grant or bequest funds are exhausted
- Would not bring unanticipated costs to the school district
- Will place no restrictions on the school program
- Will be suitable for use in meeting the instructional needs of the school
- Will not be inappropriate or harmful to the best educational interests of students, as determined by the administration
- Will not imply endorsement of any business or product
- Will not be in conflict with any provisions of the school code or public law

We reserve the right to refuse any gift at the sole discretion of the Superintendent and Board of Education. All gifts, grants, and bequests shall become school district property.
